DESCRIPTION

The Badger Day Camp provides girls and boys an opportunity to focus on fundamental skill instruction in a fun and relaxed setting. The camp boasts an excellent coach-to-camper ratio, and will feature small groups, focused on individual technique and small-sided games. Campers will have the opportunity to work first hand with Wisconsin Men's and Women's Soccer players and coaches. It is a great opportunity to learn more about soccer while having a fun experience.

COACHING STAFF

Paula Wilkins, Camp Director: Paula begins her 6th year at the helm of the Wisconsin Women's Soccer program. In her coaching career Paula has won nine Big Ten Championships; four Big Ten Tournament Championships; and appeared in three College Cups. She has also coached nine first team All-Americans and has been a staff coach with Region I and Region II ODP as well as the National Team.

Tim Rosenfeld, Assistant Camp Director: Tim begins his 6th year as the Associate Coach of the Wisconsin Women's Soccer program. Previously, he spent 6 years as Coach Wilkin's top assistant at Penn State University. Prior to that, Tim spent three year as the Head Coach of the Women's Soccer program at St. Francis University (PA). A former professional goalkeeper, Tim will be coordinating the goalkeeping instruction.

Patrick Farmer, Assistant Camp Director: Patrick begins his 5th season at Wisconsin. A two-time national coach of the year honoree, Farmer has turned programs into perennial powers at every stop in his coaching career; including producing two national championship teams at Division III Ithaca College and building Penn State into a national title contender. Most recently, Coach Farmer was the Head Women's Soccer Coach at Syracuse University.

This premiere coaching staff is one of the finest in the country developing three (3) NCAA Herman Player of the Year Award Winners/Runner-ups, nine (9) first team All-American selections, nine (9) Big Ten Championships and several Olympic and World Cup players. Paula, Tim and Pat know what it takes to develop good players and can teach the foundations to prepare any soccer player for the future. Wisconsin Women's Soccer is where good soccer players come to be great
